**WARNING**  
Proceed at your own risk. Mountain environments, including the open riding areas and trails shown on the map, have areas of high avalanche risk, unmarked terrain hazards and other natural hazards. Individual riders are responsible to determine whether the areas are safe to ride, to use safe snowmobiling practices and to be aware of the local hazards.

Be trained in avalanche skills, be aware of current avalanche conditions and carry a transceiver, probe and shovel. For more information on avalanche safety visit [www.avalanche.ca](http://www.avalanche.ca) and download the Avalanche Canada mobile App.
